Dear Colleague,

Please join us for the 9th SSHO 2018 taking place on Thursday, 19th April at the Hôpitaux Universitaires de Genève (HUG) in Geneva.

This year we are hosting a panel of internationally and nationally renowned experts who will give state-of-the-art scientific lectures and discuss practice-oriented clinical cases in the fields of Mantle Cell Lymphoma (MCL); Multiple Myeloma (MM); Chronic Lymphocytic Leukemia (CLL); Rare Indolent Lymphoma; and Chronic Myeloid Leukaemia (CML).

We look forward to seeing you at the 9th SSHO 2018 in Geneva or at one of our satellite centers.
